I am an enthusiastic learner and emerging leader with a proven ability to collaborate in teams and manage people effectively. My leadership experiences have sharpened my problem-solving, communication, and project management skills. I proudly represented India at the ITS CommTech program, earning the Best Project Award. Passionate about continuous personal and professional growth, I actively engage with self-development literature and leadership frameworks.

AREA OF EXPERTISE

Team collaboration	Cybersecurity Tools: Pwnagotchi, USB Rubber Ducky
Platform-Based Application Development	Version Control: Git, GitHub
Brainstorming solutions	Marketing

KEY ACHIEVEMENTS

- **Earned Best Project Award** at the international ITS CommTech Program in Indonesia for AI-powered surveillance system and presented research findings to industry leaders.
- **Freelance Product Developer** for FixYourHR Software, contributing to feature integration, UX improvements, and product documentation for a real-world HR tech platform

PROFESSIONAL EXPERIENCE

Full Stack Developer (Freelance) at FixYourHR	Apr 2025 – June 2025
<ul style="list-style-type: none">• Collaborated on the development of an HR management SaaS platform for SMEs, focusing on employee data, attendance, and payroll modules.• Conducted user research and competitor analysis to enhance product features and user experience.• Assisted in backend logic structuring for leave management and automated notifications.
